LUCA MEZZOLLA

I'm Luca Mezzolla! My passion for technology led me to study Computer Science at the University of Turin, and since 2021, I've been working as a Frontend developer. I currently work as a Software Engineer at Intesa Sanpaolo, focusing on Frontend architectures. I consider myself a meticulous and creative person, always seeking elegant and functional solutions. I'm passionate about exploring new technologies and staying updated with the latest innovations in the field. If you're interested in collaborating or checking out my projects, feel free to reach out. I'm always open to new challenges and opportunities!
